LEDVANCE
POWER THROUGH LIGHT

A STRONG PARTNER IN THE LIGHTING INDUSTRY

LEDVANCE is a prominent player in the lighting industry, known for its innovative lighting products and smart, interconnected lighting solutions. Drawing from our comprehensive understanding of the general illumination market, current technologies, and evolving customer demands, we are committed to meeting the specific needs of both direct and indirect customers.

As a reliable local partner, we take an active role in supporting your efforts to impress customers with high-quality, long-lasting lighting concepts. Our aim is to help boost your lighting sales by offering attractive, user-friendly, and intelligent products.

Together, we can collaboratively shape the future of light – with agility, courage, speed, and flexibility. Join us on this journey as we pave the way towards a brighter tomorrow.

OUR STRENGTHS ARE
YOUR ADVANTAGE

COOPERATIVE
As a dedicated and collaborative partner, LEDVANCE boasts a vast, worldwide sales team and over a century of experience, ensuring we stand by your side at all times.

VERSATILE
Modern, smart, decorative, functional, robust and practical – our extensive portfolio meets customer requirements in all categories and virtually every area of application.

SALES-BOOSTING
Attract attention, encourage purchases. We offer targeted support for your sales with creative, pre-tested marketing concepts.

CARING
We are committed to contributing to a greener planet by reducing CO_2 emissions and waste through sustainable products, solutions and processes. We empower our customers to use light more efficiently to save energy and reduce their environmental footprint.

UNIQUE
Fresh, dynamic, high-quality and bold – we know at an early stage what interests customers and where lighting trends are heading. LEDVANCE is unmistakably LEDVANCE.

INNOVATION MEETS TRADITION
We embody progress and the passion to shape the future of lighting actively. By blending our courage to explore new paths with our experience from more than 100 years of lighting expertise, we lead the way forward.

ALL IN ONE
At LEDVANCE, we've got everything you need from a single source – LED luminaires, lamps, and Smart Home products. We offer you a wide range of innovative and market-driven solutions, setting new trends along the way.

### FIRST-CHOICE PARTNER
As the perfect strategic ally, we offer an extensive portfolio, a robust sales network, and unparalleled global market access to fulfill all your requirements.

LED STRIPS
INDOOR

Revolutionize your lighting design with LEDVANCE LED Strips – effortless to plan, seamless to combine, and easy to install.

Our LED strips offer a wide range of white light options. Dynamically Tunable White, RGBW and RGB solutions expand your creative palette. The NEON LED strips elevate the color experience to a new level while illuminating rooms brightly and homogeneously. The innovative COB technology creates a seamless and uniformly bright light line eliminating visible light spots. And then there's the magic – the MAGIC RGB function allows segment-by-segment color control of the strips for a unique color experience.

Experience quality and versatility in one package. The LEDVANCE LED strip system enables you to effortlessly tackle a diverse range of lighting tasks. Manufactured with precision, our components fit seamlessly together and offer flexibility, reliability and ease of use. Pre-wired on both ends, flexible lengths and easy customization – the LEDVANCE LED Strip System adapts to your needs.

Our SMART+ LED strip systems can be easily controlled via app, voice assistant or remote control (depending on the selected technology), giving you the ability to control your lighting atmosphere from the couch, the car, or the Caribbean.

SMART⁺ WIFI LED STRIPS

Elevating the lighting experience: Dimmable, long-lasting, and app-controlled – Shaping the future of indirect illumination!

— Versatile: 1m, 2m, 3m or 5m lengths with dimmable and/or individually adjustable MAGIC RGB light effects.
— Long lifetime: Energy efficiency and a lifetime up to 30,000 hours make this product sustainable while offering a good luminous intensity.
— App & voice control: Convenient control via app, voice assistants, or WiFi remote.
— Instant & flexible use: Installing the LED strips is effortless and takes just moments.
— IP20 protection class: suitable for indoor spaces.

COB LED STRIPS

LEDVANCE COB LED Strips: remote-controlled illumination ideal for hallways, stairs, living rooms, or as cozy night light.

— Homogenous lighting: The innovative COB technology creates a seamless and uniformly bright light line, eliminating visible light points typically found in traditional LED strips.
— Versatile: The cold to warm-white light and the option for dimming make the Tunable White stripe suitable for all types of interiors.
— Long lifetime: Energy efficiency and a lifetime up to 30,000 hours make this product sustainable while offering a good luminous intensity.
— Easy installation: particularly easy and fast installation on all smooth surfaces.
— IP20 protection class: suitable for indoor spaces.

LED STRIPS
OUTDOOR

Enjoy the transformative power of the LEDVANCE LED strip system in a variety of outdoor settings. Plan effortlessly, combine seamlessly, and install easily to bring outdoor dreams to life. The Dynamic Tunable White, RGBW and RGB solutions expand your artistic palette and allow you to paint your outdoor canvas with light. With the introduction of NEON LED strips, an enchanting spectrum of colors ignites at night, creating an atmosphere that captivates.

Experience the harmony of quality and adaptability in a single package. The LEDVANCE LED strip system effortlessly matches your outdoor vision. Exceptional durability and energy efficiency culminate in a product designed to withstand the elements.

Introducing SMART$^+$ LED strip systems: your key to effortless control. Easily manage your lighting ambiance with a WiFi remote, an app, or even your voice assistant (depending on your chosen technology). LEDVANCE illuminates your outdoor areas in an extraordinary way.

SMART⁺ WIFI LED STRIPS

Enhancing the outdoor ambiance: SMART⁺ WIFI LED Strips with adjustable lighting and RGB effects!

— Versatile: Flexible and decorative LED strips with WiFi technology, adjustable from warm to cool white and offering RGB color light.
— Long lifetime: up to 30,000 hours of life with varying lumen levels and energy efficient LED-technology.
— App & voice control: Easily managed through WiFi remote, app, or voice assistant, requiring a compatible smart home system.
— Easy installation: Immediate and flexible use of the strips.
— IP44 protection class: Ideally suited for outdoor use. Protection against moisture through resistance to all-around splash water.

READY TO SHINE
LIGHT THAT SELLS ITSELF

With ready-made packages, you can offer your customers a large variety of
well-designed and individual light solutions. These intelligent product combinations
will increase the attractiveness of your products significantly.
This is an affordable, high quality offer for unique lighting solutions for your
customers.

ATTRACTIVE SHELF DESIGN

A shelf full of ready-made incentives. See a variety of well-engineered and customized lighting solutions. Our indoor and outdoor flex strip shelf showcases the flexibility and productivity of our products.

The shelf is eye-catching and perfectly designed to meet the needs of target audiences. Product-specific details and features are presented in a clear and intuitive style, divided into indoor and outdoor applications.

HOUSE OF SMART

A home for our SMART$^+$ products.
Well sorted, with helpful pictures and informations about the control options and specific features.

COMPACT DISPLAYS

Attractive, informative and space-saving.
Our eye-catching displays provide a top-quality product presentation that is completely designed to meet your needs.
